

2009 Housing Strategy Statistical Appendix

LA data are reported figures.

Regions' totals include estimated values for missing data.

Hence summing LA figures would not yield region's figure.

Who owns the empty homes

England total is sum of all regions' figures with estimates. ".." indicates not applicable or non-derivable. "..." indicates not available			Total Empty Homes	% of Homes Empty	Local Council (incl. Owned by other Local Councils)	'Other' public	Private homes vacant for more than 6 months for regeneration or housing schemes	All other Private homes vacant for more than 6 months

Section A (RSL and Private Sector stock)

Stock information on Registered Social Landlord stock and Private Sector stock have not been collected on this year's HSSA return to reduce data burdens on local authorities. This information will be separately in a live table on the CLG website in December or early 2010. Total stock information refers to all stock and as a result the sum of local authority stock and 'other' public stock will not sum to
